Chords=

E,A,E,A, (4x)

Verse=

(**E**)

Driving down the highway,
I see a sign headed my way,
Its glowing orange with a black outline,
(**A**)

Ooooh Yah!

(**E**)

Pull into the parking lot,
Girls looking real hot,
I can feel the steam coming out of the chicken wing pot,
(**A**)

Sure feels good!

(**E**)

Food tasting real good,
Counter is an orange hood,
Gotta tip your waitress if she looks real good,
(**A**)

Nooo way!

CHORUS=

(**E**) (D)

Ooooh, hooters is my place,
(**A**) (E)

All types of cleavage in my face,
(E) (D)

Ooooooh, nice cold PBR,
(A)

My waitress has a scar,
(E)

On her waist.

(E)

Jukebox kicking loud,
More wings coming out,
Makes me glow red with delight,
(A)

Hell Yah!

(E)

Waitress smelling real good,
Munching of hot food,

Licking my fingers with every bite,

(A)

Mmmmh! Yah!

CHORUS=
