VERSE=

Talk, we talk for hours,  
About the same ole thing,  
But every time I hear your voice,  
It seems to brighten my day,  
And when I start to float away,  
You save me with your sound,

CHORUS= **D, C, G, Cm, G, Cm**

Cuz you are my anchored,  
Solid Ground.

2nd VERSE=

Your just like an angel,  
With such a tender voice,  
You are there for me,  
When I need a sweet melody,  
To calm me down,

REPEAT CHORUS=

3rd VERSE=

Every day you save my life,  
Right before I fall,  
Words sharp like a knife,  
Cuz all in all,  
You are my anchore-d Soli-d Grou-nd,

REPEAT CHORUS=

THE END.
