

Far
Coheed and Cambria

These are just the basic chords to play along with if you wanted to play this song acoustic or something. If you want the lead, there s another tab here on UG.

TUNING: Half-step down

VERSE 1:

F#m **E**
I welcome this pain beating down on me
D **A**
Is it your eyes that choose not to see?
F#m **E**
All I would do if only you knew
D **A**
All of my trust was given to you

CHORUS:

D **A**
Oh, please, this is what I can give
E **D**
What else do you need from me?
A **E**
I might be sick, broken, torn to pieces
D **A**
So, whatever this is, this thing that now I ve become,
E **D**
you hate it so much, you keep on running from it
A **E**
No matter the distance, oh, no matter how, no matter how far

(intro is repeated here, verse chords can be played)

VERSE 2:

I buried this hurt,
concealed in this heart
Go lock all your doors,
these cold steps will warm

CHORUS
