They say everything can be replaced,			
G#m	A6	F#5	E
they say every distance is not real.			
E			F#m
So I remember every face			
G#m	A6	F#5	E
Of every man who put me here			
E			F#m
I see my light come shining			
G#m	A6	F#5	E
From the west down to the east.			
E			F#m
Any day now, any way now,			
G#m	A6		E
I shall be released.			

The rhythm is repeated for the whole song.
