They say everything can be replaced,
G#m **A6** **F#5** **E**
they say every distance is not real.
E **F#m**
So I remember every face
G#m **A6** **F#5** **E**
Of every man who put me here
E **F#m**
I see my light come shining
G#m **A6** **F#5** **E**
From the west down to the east.
E **F#m**
Any day now, any way now,
G#m **A6** **E**
I shall be released.

The rhythm is repeated for the whole song.
