[Verse 1]

E5

Hey, what became of my head

E/D#

The beats in my heart, the jokes that I said?

C#m7

I guess all these false starts

B7sus4/C#

Asus2

Of a puzzle you can't finish cause you're missing the best parts

E5

And, don't you fear, I'm bringing you home

E/D#

Out of this pit where I left you alone in

C#m7

This horrible mess that I made

B7sus4/C#

Asus2

But I guess that's what you get when you're not paying attention

[Pre-Chorus]

B7sus4/C#

So baby, welcome back to the man you've been missing

Asus2

Baby, welcome back to confusion, perplexion

[Chorus]

E5

E/D#

C#m7

We all go up in flames, going out in style

B7sus4/C#

C#m7

We all go up in flames, going out in style

B7sus4/C#

Asus2

Am I out of my head to think the world will start believing me when I am dead?

[Verse 2]

E5

I was a miserable man

E/D#

With washed up excuses, I know, I know

C#m7

Part of the confusion is me

B7sus4/C#

Asus2

We both agree that I wasn't the man you needed me to be

E5

But, oh, how I changed and oh, how I've grown

E/D#

But could she believe me when I've got nothing to show?

C#m7

My everything, she needs to see

B7sus4/C#

Asus2

The choice is hers to believe in me

[Pre-Chorus 2]

B7sus4/C#

So baby, I'm back and I'm not gonna stop

Asus2

Baby, I'm back and I'm not gonna stop

[Chorus]

E5

E/D#

C#m7

We all go up in flames, going out in style

B7sus4/C#

Asus2

And Heaven help us if they'd ever let us live for just a little while, yeah

C#m7

We all go up in flames, going out in style

B7sus4/C#

B7sus4/C#

If anything, all we are, we are

B7sus4/C#
