Intro

F Am F Am G

Verse 1:

F **Am**
We re throwing all caution to the wind
F **Am** **G**
It s better to think about what s ahead, then behind them
F **Am**
Only I have a better chance at failure
F **Am** **G** **F**
But my mind has a clever way of turning all the worst to right, I ve found
Am **F** **Am G**
Oh, no. So tell them how you did it. No may-bes

Chorus:

F **D**
We ll leave it on the radio, we re calling all cowards
Am
Now boy, that you made it so
G **F**
Why are you afraid of what you ve done? [Chorus x 2]

Am **F** **Am G**
No, what you ve done? No

Verse 2:

F **Am**
Return to the dirt with this cursed affair
F **Am** **G**
A lever to pull upon and the buried we ll leave there
F **Am**
Only how will they ever find their way,
F **Am**
To the road, to a better place where the memories
G **F**
they don t live to fade away

Am **F**
Oh, no. So tell them how you did it.

Am G

Oh, no.

F
So tell them how you knew

Am G F Am G
Ditto. So tell them how you knew, no may-bes

Chorus:

F D
We ll leave it on the radio, we re calling all cowards
Am
Now boy, that you made it so
G F
Why are you afraid of what you ve done? [Chorus x 2]
Am F
No, what you ve done?
