	F	C	G
D#	----3-----3-----		
A#	-----1-----1-----1-----3--		
F#	-----0-----0-----0-----		
C#	-----2-----2-----0-----		
G#	-----3-----3-----2-----		
D#	--1-----1-----3-----		

That G I m not to positive on those notes being picked. I couldn t really get the exact ones with all the layers going, but it works. If you get a more correct way just comment it and I ll change it giving you credit of course.

[Verse 1]

I m going to right this plain out of your life again,	F	C	G
I wish that I could stay but you argue,	F	C	G
And more than this I wish you could have seen my face,	F	C	G
In backseats starring out the window,	F	C	G
I ll do anything for you,	F	C	G
Kill anyone for you,	F	C	
So leave yourself intact,		G	F
Cause I will be coming back,			C
In a phrase to cut theses lips,			

In the press of every kiss,

**F**

With your head upon my chest,

**C**

**F**

Where I will annoy you,

**Dm**

With every waking breath,

**F**

Untill you decide to wake up.
