

Soft Machine  
Coil

[Verse]

E A E A E  
Faraway above the milky-way blossoms the universe

A B F#m Bm  
Sparkling endlessly

E A E  
Underneath your costume shining bright

A E A B E  
A blue skeleton, countless labyrinths

A B  
Tell me anything on your mind

F#m B  
Using this magical connector

F#m B A  
And you ll find that you don t wish to find that warmth  
B  
machine

E A  
Oh, go ahead, make love to me

B  
And the mask it frees us free

A F#m Bm  
With your ringlet metronome

E A  
And I know without the slightest doubt

B F#m  
the cyborg and android will make the perfect match

A  
Oh baby, baby

[Outro]
