

Bubby  
Colbie Caillat

READ THIS!!!!!!

This is a really easy song to play and it was my first song that I learnt to play on guitar. there are only 2 Chords D and Am. You strum the bottom 4 string ONLY because it sounds better and after you strum the chord, pick the 2 string from the bottom while you still have your fingers in a D or Am eg. strum Am, pick second string, change to a D, Stum pick the second string, change to a D and that s how it goes for the hole song except for the chorus, you strum that part(down(\*pause)up down)I hope you like this and give it a rating >\_

no Capo

Intro: **Am, D, Am, D**

A D Am  
I've been awake for a while now  
D Am  
You've got me feelin' like a child now  
D Am  
Cause every time I see your bubbly face  
D Am  
I get the tingles in a silly place  
Am  
It starts in my toes  
D  
And I crinkle my nose  
Am  
Wherever it goes  
D  
I always know  
Am \*Repeat for the whole song here are the rest of the lyrics  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go  
The rain is falling on my window pane  
But we are hiding in a safer place

Under covers staying dry and warm  
You give me feelings that I adore

They start in my toes  
Make me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while  
now just take your time  
Wherever you go

But what am I gonna say  
When you make me feel this way?  
I just mmmmmm

And it starts in my toes  
Makes me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while  
Now just take your time  
Wherever you go

Dada dumdudum dumdadadadadum  
Ohbodododododododum mmm mmm

I ve been asleep for a while now  
You tuck me in just like a child now  
Cause every time you hold me in your arms  
I m comfortable enough to feel your warmth

And it starts in my soul  
And I lose all control  
When you kiss my nose  
The feeling shows  
Cause you make me smile,  
Baby just take your time  
Now holdin me tight

Wherever, wherever, wherever you go  
Wherever, wherever, wherever you go

Wherever you go  
I always know  
Cause you make me smile  
Even just for a while
