love is the key, and it's made your life see
time in the cobe, i'm dusting off the homie
like the OLB we call it ODs
and in your melodies,
i'm hearing things you never told me

we stay in tune with each other,
and our room will discover
new ways to do covers,
no matter how they dub us
we should stay true to the trust,
and the winner of the best
do O is us
