

**I Never Told You No Capo**  
**Colbie Caillat**

,i made this version out of boredom . . so enjoy guys! :) hope you ll like it.  
.btw, this version don t need a capo..

**C#m A E B x2**

**C#m**                    **A**  
I miss those blue eyes  
**E**                    **B**  
How you kiss me at night  
**C#m**                    **A**                    **E B**  
I miss the way we sleep  
**C#m**                    **A**  
Like there s no sunrise  
**E**                    **B**  
Like the taste of your smile  
**C#m**                    **A**                    **E B**  
I miss the way we breathe

**A** (strum once)  
But I never told you  
                         **E** (strum once)  
What I should have said  
                         **A** (strum once)  
No, I never told you  
                         **E** (strum once)  
I just held it in

**B**  
And now,  
**C#m**                    **A**                    **E B**  
I miss everything about you  
**C#m**                    **A**                    **E B**  
Can t believe that I still want you  
                 **C#m**                    **A**                    **E B**  
And after all the things we ve been through  
**C#m**                    **A**                    **E**  
I miss everything about you  
**B**  
Without you

**C#m A E B**

**C#m**                    **A**  
I see your blue eyes  
**E**                    **B**

Everytime I close mine

**C#m                    A                    E    B**

You make it hard to see

**C#m                    A**

Where I belong to

**E                    B**

When I m not around you

**C#m                    A                    E    B**

It s like I m alone with me

**A (strum once)**

But I never told you

**E (strum once)**

What I should have said

**A (strum once)**

No, I never told you

**E (strum once)**

I just held it in

**B**

And now,

**C#m                    A                    E    B**

I miss everything about you

**C#m                    A                    E            B**

Can t believe that I still want you

**C#m                    A                    E            B**

And after all the things we ve been through

**C#m                    A                    E**

I miss everything about you

**B**

Without you

**C#m A E B x2**

**A (strum once)**

But I never told you

**E (strum once)**

What I should have said

**A (strum once)**

No, I never told you

**E (strum once)**

I just held it in

**B**

And now,

**C#m                    A                    E    B**

I miss everything about you

**C#m                    A                    E            B**

Can t believe that I still want you

**C#m                    A                    E            B**

And after all the things we ve been through

**C#m                    A                    E**

I miss everything about you

**B**

Without you

**C#m A E B x3**

, Thank You :)
