## It Stops Today Colbie Caillat

Intro 2x: G D Em C

G D Em C

No, no, I, I, I, I don t want to break when I speak

G D

I don t want to shake while I m standing

F:m

I don t want to crawl into another hole

C

I don t know what I m hiding for

G D Em C

No, I, I, I, I don t want to fall when I stand

G T

I don t want to have to hold your hand

Em

I just want to be the girl I use to be

C

When I was me and worry free

Am I

And I know these burdens on my own

G D Em C

But I can t keep on running no I just can t keep on running away from here

G D Em C

I know that the only way to beat it is by fighting my every fear

G D Em C

I m not going to make it til I turn around and face it alone, I know

G D Em

That I can t keep on running, no I just can t keep on running away

C GDEm C

So it stops today

G D

So here I am, I m taking my first step

Em (

Thought I was losing balance but I caught myself

3 I

I kind of like the challenge, no I don t need help

En

I m going to make it past the very start

C

It s always been my hardest part

G D Em C

But I, I, I, I am gonna stay in control

G

I am going to throw it right out of my hand I m finally here, I understand I know I ll get there on my own But I can t keep on running no I just can t keep on running away from here I know that the only way to beat it is by fighting my every fear I m not going to make it til I turn around and face it alone, I know That I can t just keep running, no I just can t keep on running away So it stops today Em You can hide from all the pain But it will find you anyway Yes, I know, now I know That I can t keep on running no I just can t keep on running away from here I know that the only way to beat it is by fighting my every fear I m not going to make it til I turn around and face it alone, I know That I can t keep on running, no I just can t keep on running away

I must admit this crutch is getting old

So it stops today
