

**Dm** I know it's been a while **G**  
**C**  
And I don't wanna do this  
**Dm** **G** **C**  
But I've been thinking about how we used to be, yeah  
**Dm** **G** **C**  
Looking backward now is on the verge of stupid  
**Dm**  
I don't know what I was thinking  
**G** **C**  
But I know you put a hold on me, oh...  
**Dm** **G**  
You stole my heart and you broke in  
**C**  
Started the flame I'm burning  
**Dm** **G**  
You broke me down and I gave in  
**C**  
Every single time you pull me in you push me out again  
Refrão:  
**C** **G/B**  
Just like that you're going for me  
**Am**  
Just like that  
**C**  
If I'd meant anything  
**G/B** **Am**  
You'd had never done me just like that, yes  
**C** **G/B**  
I'm on into just like that  
**Am**  
Yes I can breathe, just like that  
**C** **G/B** **Am**  
So when you see me, I think you better run away fast  
**C**  
Some day, just like that  
**C** **G/B** **Am**  
Yeah, yeah, yeah, yeah  
I'mma do you just like  
**C** **G/B** **Am**  
Yeah, yeah, yeah, yeah

Dm G  
You say you need to talk  
C  
Because you really miss me oh oh  
Dm G  
I think I m strong enough  
C  
But who am I kidding? Oh...

Refrão:

**Dm** **G**  
I m feeling much smarter

**C** **Dm**  
Reset I m never gonna fall all over again

**G**  
I m through with this

**C**  
Every single time you pull me in you push me out again

**C**  
Cause every single time you pull me in you push me out again

C G/B  
Just like that (just like that you)  
Am  
Just like that  
C  
If I d meant anything  
G/B Am  
You d had never done me just like that, yes

**C**                    **G/B**

So I mma do you just like that

**Am**

Cause I can t do it just like that

**C**                    **G/B**

**Am**

So when you see me, I think you better run away fast

**C**

Cause I mma do you just like that

**C**                    **G/B**                    **Am**

Yeah yeah, yeah yeah (I mma do you just, I mma do you just)...
