G Cadd9
its hittin me harder and harder with all your smiles

Em7 D/F# Cadd9
you are crazy gentle in the way you kiss

G Cadd9
And all i see is your face, all i need is your touch

Em7 Cadd9
wake me up with your lips, come at me from up above

Em7 Cadd9
Oh baby i need you

D/F#
to see me, the way i see you

Em7 Cadd9
lovely, wide awake in

D/F#
the middle of my dreams

G Cadd9
And all i see is your face, all i need is your touch

Em7 Cadd9
wake me up with your lips, come at me from up above
