

When The Darkness Comes  
Colbie Caillat

Bm F# G D9 C#11

Bm F#  
Underneath the echoes  
G D9 C#11  
Buried in the shadows  
G Bm  
There you are  
Bm F#  
Drawn into your mystery  
G D9 C#11  
I was just beginning  
Bm G  
To see your ghost  
Bm G  
But you must know

Dsus4 A  
I ll be here waiting  
Bm G D9  
Hoping, praying that  
C#11 Bm  
The sky will guide you home  
Dsus4 A  
When you re feeling  
Bm G D9  
Lost I ll leave my love  
C#11 Bm  
Hidden in the sun  
G (Bm)  
For when the darkness comes

Bm F# G D9 C#11

Bm F#  
Now the door is open  
G D9 C#11  
The world I knew is broken  
G Bm  
There s no return  
Bm F#  
Now my heart is not scared  
G D9 C#11  
Just knowing that you re out there  
Bm G  
Watching me  
Bm G

C#11 Bm  
Hidden in the sun  
G  
For when the darkness comes
