

When The Darkness Comes
Colbie Caillat

Bm F# G D9 C#11

Bm F#
Underneath the echoes
G D9 C#11
Buried in the shadows
G Bm
There you are
Bm F#
Drawn into your mystery
G D9 C#11
I was just beginning
Bm G
To see your ghost
Bm G
But you must know

Dsus4 A
I ll be here waiting
Bm G D9
Hoping, praying that
C#11 Bm
The sky will guide you home
Dsus4 A
When you re feeling
Bm G D9
Lost I ll leave my love
C#11 Bm
Hidden in the sun
G (Bm)
For when the darkness comes

Bm F# G D9 C#11

Bm F#
Now the door is open
G D9 C#11
The world I knew is broken
G Bm
There s no return
Bm F#
Now my heart is not scared
G D9 C#11
Just knowing that you re out there
Bm G
Watching me
Bm G
