[Verse 1: Colby O Donis]

I peeped you on the phone

Just showin off ya stones

And noticed that that pinky ring is bright enough baby

I know you re not alone

But I could just be wrong

The way them fellas houndin you sizin you up baby

And I like the way you take advantage of

Every man you love

I see it, and I know your game girl

But I don t mind if ya come and play with us

Just don t talk too much

I see, your so cute you don t have to say a word

**Em D C**

[Hook:]

Yeah those guys wanna come treat you right

Cause you re sweeter than apple pie

Everything that you want you got

Girl you know that you need to stop

Most beautiful thing in sight

Always takin on the spotlight

Always in the club lookin hot

Girl you know that you need to stop

**Em D C**

[Chorus:]

Always talkin bout what you got (Eh)

Always talkin bout what you got (Eh)

Always talkin bout what you got (Eh)

Girl you know that you need to stop (Eh Eh)

[Verse 2: Colby O Donis]

Girl I can tell you want something to love

That s why you hold on to everything that pass you by

Can t resist girl and I can t lie

And I can tell if you are here for me

Or everybody watchin you shake from left to right

The way you move got me hypnotized

I Like The way you take advantage of every man you love

I can t keep my eyes away from you girl when you get on the floor and do what  
you do  
And errbody wanna come back to that body and kind of remind myself I m like you  
Cus your that type to drive a man crazy and snatch him away from his lady  
No matter how hard the man hold back he ll end up callin you baby  
And they never really know what to do once you expose that thang you do  
Ya had him crawlin on hands and knees and ya find a way to get him out that
