I get home and clean up, put on my best shirt ,Put on my good shoes  
A C#m F#m D A C#m D  
My arms are hard from what I do all day, And it's all for you, all for you  
A C#m F#m D A C#m D  
As I drive over by the steeple, by the hill ,The rain is gone, the night is new  
A C#m F#m D A C#m D  
The constellations are coming out again ,And it's all for you, all for you  
  
D A  
It's all for you there are songs in the world  
D A  
I'm singing softly as I drive  
D E F#m  
It's all for you, cause you're the only girl  
D E A C#m F#m D A C#m D  
And I'm young again ,And it feels so good to be alive  
  
A C#m F#m D A C#m D  
I'll take you out, we'll find a place to eat, Somewhere small, with a view  
A C#m F#m D A C#m D  
And later on we'll go dancing if you like ,All for you, for you  
D A D A  
The old anger has given way ,To clear eyes and open hands  
D E F#m D A  
I'm getting stronger with each new day , Cause now I under...stand  
D A D A  
It's all for you there are songs in the world, I'm singing softly as I drive
