Intro:
[NC]Listen now to the wind babe
Listen now to the rain
I feel that water lickin at my feet again
I don t want to see this town no more
Wastin my days on the factory floor
First thing you know [live version repeats these lines]
I ll be back in Bow River again [live version repeats these lines]

[**F7**] [**Gm**]
Any time you [Am]want babe
You can come [Dm]around
[F]Only six days [Em]separates me
>From the [Am]great top end
I ve been workin [Am]hard
Twelve hours a [Dm]day
And the [F]money I [Em]save
Won t buy my [Am]youth again

I m going for the [Am]heat wave
And the tropical [Dm]rain
And a [F]place where no man s [Em]
Puttin on the [Am]dog for me
I m waitin on the weekend
Set of brand new [Dm]tyres
I m [F]back in Bow [F/C]River
[Em]Just where I [Em/B]wanna be[Am]

[Dm]Too many [Em]years and I [Fm]owe my [Gm]mind
The [F]first set of [F/C]wheels
And [Em]back in Bow [Em/B]River again[Am]
