

First
Cold War Kids

Intro: (G D A) 2x

 G D
Cheated and lied, broken so bad
 A
You made a vow, never get mad
 G D
You play the game, though it s unfair
 A
They re all the same, who can compare?
 G D A
First you lose trust, then you get worried

 G D
Night after night, bar after club
 A
Dropping like flies, who woke you up
 G D
On the front lawn, sprinklers turned on
 A
It s not your house, where d you go wrong?
 G D A
First you get hurt, then you feel sorry

REFRÃO

 G D
Flying like a cannonball, falling to the earth
 A
Heavy as a feather when, you hit the dirt
 G D
How am I the lucky one?, I do not deserve
 A
To wait around forever when, you were there first
 G D A
First you get hurt, then you feel sorry

 G D
There comes a time, in a short life
 A
Turn it around, get a rewrite
 G D
Call it a dark, night of the soul
 A
Ticking of clocks, gravity s pull
 G D A
First you get close, then you get worried

REPETE REFRAO

G **D**
You re going silent, the silent treatment

A
It s not inviting now, don t deny what you meant

G **D**
You get excited, you get excited

A
You got a feel it, oh, at least you can pretend

G **D**
You wanna light it, you wanna light it

A
You wanna light it now, the candle from both ends

G **D** **A**
You get excited, you get excited
