**Cold War Kids**

Band: Cold War Kids  
Song: Flying Upside Down  
Album: Mine is Yours

**F#m**            **Bm**        **A**  
All that happens now  
**F#m**            **Bm**        **A**        **D**  
Is not some glorious accident  
**F#m**            **Bm**        **A**  
All that matters now  
**F#m**            **Bm**        **A**        **D**  
As you ignore and I pretend

**G**            **D**        **Dsus2**    **D**

**G**            **D**  
This plane s flying upside down  
          **Dsus2**                    **D**  
The steering wheel is stuck  
                          **G**            **D**  
But I m turning us around  
          **Dsus2**                    **D**  
We will see that sky above

**D**                    **A**                    **C**                    **G**  
Ambitious man, she looks good on you tonight  
**D**                    **A**  
She holds your hand and runs  
          **C**                                    **G**  
Your lungs are burning bright  
**D**                    **A**                    **C**                    **G**  
Morning comes like it almost always does  
**D**                    **A**                    **C**                                    **G**  
You want to hold her but you know you can t keep up

But I m turning us around

**Dsus2** **D**

We will see that sky above

**G** **D**

And let go of all that I know

**Dsus2** **D**

And let go of all that I know

**G** **D**

A guest on this crazy game show

**Dsus2** **D**

They won t make or break the whole world

Outro: Repeat **G D Dsus2 D**

Flying upside down [x4]
