

Golden Gate Jumpers
Cold War Kids

I got this from inward24 s youtube account. He did a nice cover of this song, and this site was lacking correct chords, so I decided to post it for him. All credit goes to him.

Verse : **Bb A Dm G F Bb F**

Quick fog rolls in waves, on the Golden gate
I was checking my watch, seven minutes in my shift.

Chorus : **Dm D# Dm D# G C**

Ma am how was your day?
Keep your eyes on my face.
I want to help you, if you let me.
