

**Golden Gate Jumpers**  
**Cold War Kids**

I got this from inward24 s youtube account. He did a nice cover of this song, and this site was lacking correct chords, so I decided to post it for him. All credit goes to him.

Verse : **C B Em A G C G**

Quick fog rolls in waves, on the Golden gate  
I was checking my watch, seven minutes in my shift.

Chorus : **Em F Em F A D**

Ma am how was your day?  
Keep your eyes on my face.  
I want to help you, if you let me.
