

Golden Gate Jumpers
Cold War Kids

I got this from inward24 s youtube account. He did a nice cover of this song,
and
this site was lacking correct chords, so I decided to post it for him. All
credit goes to him.

Verse : **C B Em A G C G**

Quick fog rolls in waves, on the Golden gate
I was checking my watch, seven minutes in my shift.

Chorus : **Em F Em F A D**

Ma am how was your day?
Keep your eyes on my face.
I want to help you, if you let me.
