

Mexican Dogs
Cold War Kids

Using barre chords throughout play only bottom 2 or 3 strings (muted) when it sounds right (most of the song). listen to strumming pattern for various parts:

G= 355433

A= 577655

Bb= 688766

C = 8,10,10,9,8,8 (for chorus does not need to be barre)

F= 133211 or 8,8,10,10,10,8

intro: **G,G,A**

verse 1:

G

Back door, exit door

A

Now I wanna be your dog

Bb

Take winding up

verse 2: same

Hot tide, rattling up

Second bottle of French, you roll

You roll with us

pre-chorus:

G Bb G Bb G Bb G Bb

Oh where I walk now. Where I walk now

A C A C A C A C

When I talk now. When I talk now

(back to verse strumming pattern)

G

Oh where I walk now. Where I walk now

A Bb

When I talk. When I talk

chorus:

C

Flash lights go out

F

Stars will light the way

C

Like mexican dogs

F

Nobody gave us names

Thats about it really, a few little quicker chord changes later on when there s
no singing. But same chords.
