You were changin colours like the leaves in fall

B G#m

I was savin up for the long winter

B G#m

Summers went out high out in my car

F#

When they broke down we didnt care

Е

We figure out another way to get me there

Chorus:

B G#m

Mine is yours

B G#m

What is mine is yours

B G#m

What is mine is yours

F# E

What is mine is yours

Vers:

B G#m

realistic love runs out of room

B G#m

I try to talk big but my mouth dont move

B G#m

cause I dont own the sun I dont own the moon

F#

They only come out when they want to

E B

They dont care whether I promise you F#
They only come out when they want to E
They dont care whether I promise

Chorus:

What is mine is yours B G#m
What is mine is yours B G#m
What is mine is yours F# E
What is mine is yours

Bridge:

В

You wanna fight about it You wanna fight about it You wanna fight about it E Come on, Come on

В

I made you cry about it
I made you cry about it
I made you cry about it
B
Come on, Come on

В

There was no other way
To let you in here to stay
We had to give it away
E
Come on, Come on

В

And when we come up for air And when we come up for air

E B

В

And when we come up now we know

F#

All my stones become your pearls

All of my trials are your treasures

F#

All my dead you inherit

E

R

All of my clums and lines will shine

G#m

Chorus:

B G#m

cause Mine is yours

B G#m

What is mine is yours

В

What is mine is yours

B G#m

What is mine is yours

What is mine is yours is yours is yours
