

Tell Me Why
Cold

I want to give a shout out to my guitar brothers: Jose and Johnny. Keep on rocking.

Capo on 1ST

Intro : **G, Bm, C, D**

Verse:

G I could see her fall from grace **Bm**

Like a movie star to old to change her life **C**

With a bottle by her head **D** **G**

Every night she went away **Bm**

I would pray for someone else to change her life **C**

If she wouldn t change for me **D**

Chorus:

Tell me why **C** **Em**

please tell me why **F** **G**

you stole my life **C** **Em**

Tell me why **Am** **F**

verse 2:

G **Bm**

Tired of hearing the same old song

C

Everytime you came back frozen deep inside

D

G

Was it my love that you feared

Bm

I was a misfit all the way

C

Never there to help me grow and change my life

D

Then you smiled and walked away

Chorus:

C

Em

Tell me why

F

G

please tell me why

C

Em

you stole my life

Am

F

Tell me why

Bridge:

G

All the little things she said to me

Bm

Were broken thoughts and tainted dreams

F

If she cant take these memories

Am

It doesn't change a thing

G

Every little word she said to me

Bm

That broke my heart and stayed with me

F

I wish that she could hear me scream

Am

She never changed a thing

Chorus:

C **Em**

Tell me why

F **G**

please tell me why

C **Em**

you stole my life

Am **F**

Tell me why

Ending:

C

//This cant go on

Em

This cant go on//
