

Let somebody go ft Selena Gómez
Coldplay

Intro C G F C9 G
C G F C9 G

C G F C9 G

C G F C9 G

C G
We had a kind of love

F C
I thought that it would never end

Dm C G
Oh my lover, oh my other, oh my friend

Am G
We talked around in circles and

F C
We talked around and then

Dm C G
I loved you to the moon and back again

F Am G
You gave everything this golden glow

F C G
Now turn off all the stars, cause this I know

F G C
That it hurts like so

G F C9 G
To let somebody go

C G
All the storms we weathered

F C
Everything that we went through

Dm C G

Now without you, what on earth am I to do?

Am G

When I called the mathematicians and

F C

I asked them to explain

Dm C G

They said love is only equal to the pain

F G Am G

And when everything was going wrong

F C G

You could turn my sorrow into song

F G C

Oh it hurts like so

F C G

To let somebody go

C F C G

To let somebody go

(C G F C9 G)

(C G F C9 G)

C G F

Oh, when you love somebody

When you love somebody

G C

Got to let somebody know

G F

Oh, when you love somebody

When you love somebody

G Am

Got to let somebody know

G C

So

G F

When you love somebody

When you love somebody

G Em F

Then it hurts like so

C G F

To let somebody go

C9 G

It hurts like so

C G F C9 G

To let somebody go

C G F

But you re still with me now, I know

(C G F C9 G)

Am G C F

But you re still with me now, I know
