Verse 1:

G#m F#m
Stuck in a corner,
G#m F#m
Are monkeys in cages,
G#m F#m
That don't have a number,
G#m F#m Fmaj7
To fight one another,

Try to recover,
G#m F#m G#m F#m

Verse 2:

Climb up the ladder,
G#m F#m
Look up and you see birds,

How long can we suffer?
G#m F#m
We're as blind as each other,
G#m F#m G#m F#m
C7 A#m
On the cloud that you're sitting,
C7 A#m
There's one born every minute,
C7 A#m
So much to discover,

I've become a believer,
G#m F#m G#m F#m G#m F#m

G#m F#m
Sisters and brothers,
G#m F#m
Who fight one another,

Take us or leave us,
G#m F#m G#m F#m
