In a world I hadn t seen
          F#
When I m feeling ordinary
        A   E
When I don t know what I mean

B
Oh, I think I ve landed
                E
Where there are miracles at work
         F#
For the thirst and for the hunger
          A   E
Come the conference of birds

                   B
And singing it s true

It s not what it seems
           F#
Leave your broken windows open
           A
And in the light just streams

A head full of dreams

You can see the change you want to
               A   E
Be what you want to be
                 B
When you get a head
                 E

```
A head full of dreams
        F#
It s a life, I ve just been spoken
        A            E              B
With a head full, a head full of dreams
