

All Your Friends  
Coldplay

Intro: **E/F# E E/F# E/F#**

**E/F# E**

On and on

**E/F# E E/F# E**

You re told which side you re on

**E/F# E**

Ah, you re forced, you re thrown

**E/F# E**

To become the scythe to cut the corn

**Dmaj7**

Ah, and all your friends, they

**C#m7**

Ride into the sunset

**E**

Fly into the sunset

**D6**

And away they go

**Dmaj7**

All your friends, they

**C#m7**

Ride into the sunset

**E**

Fly into the sunset

**D6**

And away they re thrown

**Bm7 E F#m E**

Into the fire

**F#m E**

Ten below

**E/F# E**

Call comes on the radio

**E/F# E**

Over you go

**E/F# E**

And red now, all the rivers flow

**E/F# E**

The poppies grow

**Dmaj7**

All your friends they

**C#m7**

Ride into the sunset

**E**

Fly into the sunset

**D6**

And away they go

**Dmaj7**

All your friends they

**C#m7**

Ride into the sunset

**E**

Ride into the sunset

**D6**

And they re taken home

**Bm**                **E**    **F#m**

Open fire

**Bm**                **E**    **F#m**

Open fire

**Dmaj7 E C#m7 E/B D6 E C#m7**

**Bm**                **E**    **F#m**

Open fire

**Bm**                **E**    **F#m**

Open fire

**Bm**                **E**    **F#m**

Open fire

**Bm**                **E**    **F#m**

Just ride and fire
