(repete a sequência o resto da música)

Been around the world  
The universe too  
I ve been around flying, baby  
It s nothing I wouldn t do  
Tanzaku stars  
Lasso the moon  
And be standing there beside you right  
When the storm comes through

Cause I never say die  
Aim never untrue  
Never so high as when I m with you  
And there isn t a fire  
That I wouldn t walk through  
My army of one is gonna fight for you  
My army of one is gonna fall for you, yeah

Cause you reign

All cause you reign  
All cause you reign  
My army of one is gonna call it through  
Saying my heart is my gun, army of one  
Yeah my heart is my gun, army of one  
It s my only weapon, army of one  
Saying my heart is my gun, army of one
