

Birds
Coldplay

Intro 2x: **Am F C**

Am **F**
been standing in the corner
C
studying the lights
Am **F** **C**
the dreaming of escape will keep you up at night
Am **F**
but someone had put the flares up
C
and got me in the rays
Am F **C**
so... I guess I d better stay
F
uh uh no come on you say
G
it s a fool s gold thunder
F
it s just a warring rain
G
don t let the fears just start what if
F
I won t see you again
G **F**
around here you never want to sleep all night
G
so start falling in love, start the riot and
Am F C
come on rage with me
Am
we don t need words
F **C**
and we ll be birds
Am F C
got to make our own key
Am **F**
only got this moment
C
you and me, guilty of nothing
F
but geography
G
come on and raise it
F
come on and raise this noise
G

for the million people

F

who got not one voice

G

come on it s not over if you

F

mean it say loud

G

come on all for Love

Am F C

out from the underground, away with me

Am F C

we don t need words

Am F C

close your eyes and see

Am

and we ll be birds

F C

flying free

Am F C (solo)

holding on in the mystery

Am F C G

fearless go oh oh oh oh oh oh

Am F C G

fearless together

Am F C G

when you fly won t you

Am F C G

won t you take me too?

Am F C G

in this world so cruel

Am F C

I think you re so cool
