At night they would go walking  
til the breaking of the day  
The morning is for sleeping  
Through the dark streets, they d go searching  
to see God on their own way  
Save the night time for your weeping  
Your weeping...

Singing la la la la la la la ley  
And the night over London lay

So we rode down to the river  
where Victorian ghosts pray  
for their curses to be broken  
We go underneath the arches  
where the witches are in there saying  
There are ghost towns in the ocean  
The ocean...
