Intro **C/G G   Am   F**

      C/G   G   Am   F

C   **G**
 Daddy, are you out there?
                                      Am   F
 Daddy, won t you come and play?
C   **G**
 Daddy, do you not care?
                                 Am   F
 Is there nothing that you wanna say

     C   G   **Am   F**
 I know, you re hurting too
                      C
 But I need you, I do

                       G
Daddy, if you re out there
                         Am   F
Daddy, all I want to say
      C   Em   F
You re so far away
          C   Em   F
Oh, you re so far away
         Am   **G**   **F**
That s okay, that s okay, I m okay

C   **G**
 Daddy, are you out there?
                              Am
Daddy, why d you run away?
F
 Daddy, are you okay?
C   **G**
 Look Dad, we got the same hair
                                Am
And Daddy, it s my birthday
F
 And all I want to say is

```
          C   Em    F
Oh, you re so far away
            Am          G          F
That s okay, that s okay, I m okay

( C   Em   F   Dm   G )

          C   Em    F
You re so far away
                                    Am
Won t you come and won t you stay
          G               F
Oh please stay, please stay
                                  Am
Won t you come and won t you stay
     G          F
One day, just one day
```
