

Guns
Coldplay

Intro: F

F
Take it from the playgrounds and take it from the bums
Take it from the hospitals and squeeze it from the slums
All the kids make pistols with their fingers and their thumbs
Advertise a revolution, arm it when it comes
We re cooking up the zeros, we ve been doing all the sums
The judgment of this court is we need more guns

F
Stop

Bb F
Everything s gone so crazy
Bb F
Everything tangled in blue
Gm Bb F
Everyone s gone fucking crazy
Eb Bb F
Maybe I___ m crazy too

F
Meltdown all the trumpets, all the trombones and the drums
Bb F
Who needs education or A Thousand Splendid Suns?
Bb F
Poor is good for business, cut the forests, they re so dumb
Bb F
Only save your look-alikes and fuck the other ones
It s the opinion of this board that we need more guns
