

Em C
And the strangest thing

G **D/F#**
Was waiting for that bell to ring

Em **C** **G** **D/F#**
It was the strangest start

[Chorus]

C **G** **D/F#**
I could feel it go down

C **G** **D/F#**
Bittersweet, I could taste in my mouth

C **G** **D/F#**
Silver lining the cloud

Em **Em/D** **C** **C/B** **Am**
Oh and I.....I...

I wish that I could work it out

[Bridge]

Em, C, G, D/F# X 2

[Verse 2]

Em **C**
And the hardest part

G **D/F#**
Was letting go, not taking part

Em **C** **G** **D/F#**
You really broke my heart

Em **C**
And I tried to sing

G **D/F#**
But I couldn't think of anything

Em **C** **G** **D/F#**
And that was the hardest part

[Chorus]

C **G** **D/F#**
I could feel it go down

C **G** **D/F#**
You left the sweetest taste in my mouth

C **G** **D/F#**
You're silver lining the clouds

Em **Em/D** **C** **C/B** **Am**
Oh and I.....I...

Em **Em/D** **C** **C/B** **D/F#**
Oh and I.....I...

I wonder what it's all about

C, Em/D, Am7 X2

I wonder what it's all about

[Outro]

C, Em/D, Am7

C, Em/D, D/F#

C **Em/D** **Am7**
Everything I know is wrong

C **Em/D** **Am7**
Everything I do, it's just comes undone

C **Em/D** **Am7**
And everything is torn apart

C
Oh and it's the hardest part

D/F#
That's the hardest part

C
Yeah that's the hardest part

D/F#
That's the hardest part

C, Em/D, Am7 (repeat till fade out)
