Coldplay

C# **Bbm**
Stuck here in the middle of nowhere
C# **Bbm**
With a headache and a heavy heart
C# **Bbm**
Well nothing was going quite right here
C# **Bbm** **C#**
And I m tired I can t play my part

F# **Eb**
Oh! Come on come on oh what a state I m in
F# **Eb**
Oh! Come on come on why won t it just sink in?
C# **Ab** **C#**
The help is just around the corner for us

C# **Bbm**
Oh my head just won t stop aching
C# **Bbm**
And I m sat here licking my wounds
C# **Bbm**
Well I m shatered, but it really doesn t matter
C# **Bbm** **C#**
Cause my rescue is going to be here soon
