**Coldplay**

COLDPLAY - HOW YOU SEE THE WORLD

Bonus Track on the Japan-Release of X&Y s

written by Coldplay (I guess)

This is a sweet little song, I m wondering why it s only on the japanese LP... I  
ve  
transposed it up one semitone to the normal key so we can play it drunk at a  
campfire

On the record the chords are **Gm** (**G#m**), **C#** (**Eb**), **Bm** (**C#m**) and **Eb** (**E**).  
The lyrics might be wrong, the chords sound right to me.  
Maybe someone will figure out a better version...

**G#m**

Are you missing something

**Eb**

Looking for something

**G#m**

Tired of everything

**Eb**

Searching and struggling

**G#m**

Are you worried about it

**Eb**

Do you wanna talk about it

**C#m**

**G#m**

**Eb**

Ohohoh You re gonna get it right sometimes

**G#m**

Theres so much to be scared of

**Eb**

And not much to make sense of

**G#m**

Are you running in a circle

You can t be too careful
