

**How You See The World**  
**Coldplay**

COLDPLAY - HOW YOU SEE THE WORLD

Bonus Track on the Japan-Release of X&Y s

written by Coldplay (I guess)

This is a sweet little song, I m wondering why it s only on the japanese LP... I ve transposed it up one semitone to the normal key so we can play it drunk at a campfire

On the record the chords are **Gm (G#m)**, **C# (Eb)**, **Bm (C#m)** and **Eb (E)**. The lyrics might be wrong, the chords sound right to me. Maybe someone will figure out a better version...

**G#m**

Are you missing something

**Eb**

Looking for something

**G#m**

Tired of everything

**Eb**

Searching and struggling

**G#m**

Are you worried about it

**Eb**

Do you wanna talk about it

**C#m**

**G#m**

**Eb**

Ohohoh You re gonna get it right sometimes

**G#m**

Theres so much to be scared of

**Eb**

And not much to make sense of

**G#m**

Are you running in a circle

**Eb**

You can t be too careful

**G#m**

And you can t relate it

**Eb**

Cos it s complicated

**C#m**

Don t you worry yourself

**G#m**

Cause nobody can hurt

**Eb Eb**

Oooohhhh... Oooohhhh...

**G# G#**

Oooohhhh...

**E G#m**

**C#m G#m**

**E G#m**

It s how you see the world

**C#m G#m**

It s how you see the world
