COLDPLAY - HOW YOU SEE THE WORLD

Bonus Track on the Japan-Release of X&Y s

written by Coldplay (I guess)

This is a sweet little song, I m wondering why it s only on the japanese LP... I  
ve  
transposed it up one semitone to the normal key so we can play it drunk at a  
campfire

On the record the chords are **Bbm** (**Bm**), **E** (**F#**), **Dm** (**Em**) and **F#** (**G**).  
The lyrics might be wrong, the chords sound right to me.  
Maybe someone will figure out a better version...

**Bm**

Are you missing something

**F#**

Looking for something

**Bm**

Tired of everything

**F#**

Searching and struggling

**Bm**

Are you worried about it

**F#**

Do you wanna talk about it

**Em**

**Bm**

**F#**

Ohohoh You re gonna get it right sometimes

**Bm**

Theres so much to be scared of

**F#**

And not much to make sense of

**Bm**

Are you running in a circle

**F#**

You can t be too careful

**Bm**

And you can t relate it

**F#**

Cos it s complicated

**Em** **Bm** **F#**  
Ohohoh You re gonna get it right sometimes
