And this is what I make of the lyrics (between brackets the corresponding above guitar parts):

(2) Caught in those tired eyes
 Go with me all the time
 And in the dead of night
 Tell me you will be mine

(3) Where do you go to, pretty babe
 Where do you go to when the night wins away
 Well ask me so sweetly what do I do
 Who do I sing for, my honey I sing about (4) you, you...
