

**I Ran Away**  
**Coldplay**

Verse 1:

**Cmaj7**            **Am**  
I ran away from you,

**Am**                    **Cmaj7**  
That s all I ever do,

**Cmaj7**                            **Am**  
And though I started here,

**Am**                    **Cmaj7**  
I ran away from you,

**Cmaj7**                            **Am**  
I m gonna come on in,

**Am**                    **Cmaj7**  
And see it through,

Verse 2:

**Cmaj7**                    **Am**  
I ran away from you,

**Am**                    **Cmaj7**  
That s all I ever do,

**Cmaj7**                            **Am**  
And when I heard you call,

**Am**                    **Cmaj7**  
Come back to me ,

**Cmaj7**                    **Am**  
I know I should stay,

**Am**                            **Cmaj7**  
I don t have the stomach to,

Note: **Dm7** is an additional chords since this song use **Cmaj7** as a family chord. So playing **Dm7** might sounds a bit funny. So take note that in bass guitar you ll have to play it as **B** in the 2nd last line when you catch the **Dm7**. So it could be **Dm7/B** too.

**Cmaj7 Gmaj7**  
Everyone I know says,

**Gmaj7** **Dm7**

I m a fool to mess with you,

**Cmaj7 Gmaj7**

Everyone I know says,

**Gmaj7** **Dm7**

It s a stupid thing to do,

**Cmaj7** **Gmaj7**

I have your love on call,

**Gmaj7** **Dm7**

And yet my day is so full,

**Gmaj7** **Dm7**

There might be nothing left to do,

**Gmaj7** **Dm7 Cmaj7**

So I ran away from you,

**A Abaug5w5 F#7 A Abaug5w5 F#7 A Abaug5w5 F#7 A Abaug5w5 F#7**

Verse 3:

**Cmaj7** **Am**

I m gonna come on in,

**Am** **Cmaj7**

My eyes are closed,

**Cmaj7** **Am**

I can feel it there,

**Am** **Cmaj7**

The sun s so close,

**Cmaj7** **Am**

I m gonna come on out,

**Am** **Cmaj7**

And burn the sky,

Riff:

**Gmaj7** **Am**

A star arose in my own cage,

**Gmaj7** **Am**

I m stuck in life and in a cage,

**Gmaj7** **Gmaj7**

Just a single star,

**Am**

I sing for,

Note: Same as the first Chorus.

**Cmaj7 Gmaj7**

Everyone I know says,

**Gmaj7**

**Dm7**

I m a fool to mess with you,

**Cmaj7 Gmaj7**

Everyone I know says,

**Gmaj7**

**Dm7**

It s a stupid thing to do,

**Cmaj7 Gmaj7**

I have your love on call,

**Gmaj7**

**Dm7**

And yet my day is so full,

**Gmaj7**

**Dm7**

And I did not know what to do,

**Gmaj7**

**Dm7 Cmaj7**

So I ran away from you,
