

Only Superstition
Coldplay

Am F
A cardboard head
Am F
I see has found its way to me,
Am F
It s old and it s old and it s old
Am F
Making me cr__y.
Am F
I sleep but I will not move,
Am F
Too scared to leave my room
Am F Am F
But I won t be defeated, oh no.

F G F
What if cards don t go my way?
G F
And it s sure to spoil my day.
G F
But in voices loud and clear
G F Em G
you say to me it s only superstition.
G F Em G
It s only your imagination,
G F Em
It s only all of the things that you fear
G F Em G
and the things from which you can t escape.

Am F
Keep clean for the thousandth time
Am F
Stand still and wait and line.
Am F Am F
Some numbers are badder than others, oh no.

F G F
What if cards don t go my way?
G F
And it s sure to spoil my day.
G F
But in voices loud and clear
G F Em G
you say to me it s only superstition.
G F Em G
It s only your imagination,

G **F** **Em**
 It s only all of the things that you fear
G **F** **Em** **G**
F
 and the things from which you cannot expect.

F **G** **Em** **Am** **G**
 But it s making me cry , and it s making me cr____y
F **G** **Em** **Am**
 And I m slipping away and I m slipping aw____ay

Am **G** **F**
 It s only superstition, only your imagination
Am **G** **F**
 It s only superstition, only superstition
