

Spies
Coldplay

[Intro:] C#m

F#m **E**
I awake to find no peace of mind,
A **G#m**
I said how do you live as a fugitive?
F#m **E**
Down here where I cannot see so clear
A
I said, what do I know?
G#m
Show me the right way to go,

F#m **G#m**
And the spies came out of the water,
A **G#m**
But you re feeling so bad cos you know,
F#m **E**
But the spies hide out in every corner,
A
But you can t touch them though,
B **C#m E B**
Cos they re all spies
C#m E B E
They re all spies

I awake to see that no one is free,
We re all fugitives, look at the way we live
Down here, I cannot sleep from fear no
I said, which way do I turn?
Oh I forget everything I learn,

A **B**
And if we all hide here,
F#m
They re going to find us,
G#m A
If we don t hide now,
B A
They re going to catch us where we sleep,
B
And if we don t hide here,
E4 E G#7(4) G#7
They re going to find us

A **G#m**
And the spies came out of the water,

A **F#m**

But you re feeling so good cos you know,

E

And those spies hide out in every corner,

A

And they can t touch you no,

B **C#m A B**

Cos they re just spies

C#m A B

They re just spies
