They were sitting, they were sitting in the strawberry swing
And every moment was so precious
They were sitting, they were talking in the strawberry swing
And everybody was for fighting
Wouldn't wanna waste a thing
Cold, cold water bring me round
Now my feet won't touch the ground
Cold, cold water
What you say?
It's such, it's such a perfect day
It's such a perfect day
I remember we were walking up to strawberry swing
I can't wait until the morning
Wouldn't wanna change a thing
People moving all the time
