

Swallowed In The Sea  
Coldplay

**B** **F#**  
You cut me down a tree  
**E** **B**  
And brought it back to me  
**F#** **E**  
And that s what made me see  
**B**  
Where I was going wrong

**B** **F#**  
You put me on a shelf  
**E** **B**  
And kept me for yourself  
**F#** **E**  
I can only blame myself  
**B**  
You can only blame me

**E** **B**  
And I could write a song  
**G#m** **F#**  
A hundred miles long  
**E** **B**  
Well, that s where I belong  
**F#**  
And you belong with me

**E** **B**  
And I could write it down  
**G#m** **F#**  
Or spread it all around  
**E** **B**  
Get lost and then get found  
**F#**  
Or swallowed in the sea

( **B** )

**B** **F#**  
You put me on a line  
**E** **B**  
And hung me out to dry  
**F#** **E**  
Darling, that s when I  
**B**

Decided to go to see you

**B F#**  
You cut me down to size  
**E B**  
And opened up my eyes  
**F# E**  
Made me realize  
**B**  
What I could not see

**E B**  
And I could write a book  
**G#m F#**  
The one they ll say that shook  
**E B**  
The world and then it took  
**F#**  
It took it back from me

**E B**  
And I could write it down  
**G#m F#**  
And spread it all around  
**E B**  
Get lost and then get found  
**F#**  
And you ll come back to me  
**E B**  
Not swallowed in the sea

**C#m E B F# (4x)**

Oohhhhh Ahhhhhh

**E B**  
And I could write a song  
**G#m F#**  
A hundred miles long  
**E B**  
Well that s where I belong  
**F#**  
And you belong with me

E B  
The streets you re walking on  
G#m F#  
A thousand houses long  
E B  
Well, that s where I belong  
F#  
And you belong with me

E B  
Oh, what good is it to live  
G#m F#  
With nothing left to give  
E B  
Forget but not forgive  
F#  
Not loving all you see

E B  
Are the streets you re walking on  
G#m F#  
A thousand houses long?  
E B  
Well, that s where I belong  
F#  
And you belong with me  
E B  
Not swallowed in the sea

G#m F#  
You belong with me  
E B  
Not swallowed in the sea  
G#m F#  
Yeah, you belong with me  
E B  
Not swallowed in the sea
