

# The World Turned Upside Down

## Coldplay

Intro: **E**

**E    A**

X & Y

**E**

**A**

The land, sea, rivers, trees, the stars, the sky

**E**

**A**

That and this

**E**

We re part of a bigger plan

**A**

Don t know what it is

**E**

Don t know what it is

**E**

**A**

(x2)

**E            A**

You and me

**E**

**A**

The land, sun, trees, the sky, the stars, the sea

**E**

365 degrees

**A**

I am a puzzle you re the missing piece

**E**

Hang on a minute just a minute please

**A**

I ll come

**E**

**A**

And everything under the sun

E A

And everything under the sun

A B  
What is this feeling that I can't explain?

C#m D

And why am I never gonna sleep again?

A B  
What is this thing I've never seen before?

C#m D

A little boy lost in a breaking storm

A B  
Pilots, up and away they fly

C#m D

To write your name in the summer sky

A B  
Life has really only just begun

C#m D

Life that comes and everything under the sun

E A (x2)

E A

X is Y

E A

The land, sea, rivers, trees, the stars, the sky

E  
365 degrees

A  
All of the surface and the underneath

E A  
Searching your mellow and outsings your key, ah

E A

And everything under the sun

E A

And everything under the sun

A B  
What is this feeling that I can't explain?

C#m D

And why am I never gonna sleep again?

A B  
What is this thing I've never seen before?

C#m D

A little boy lost in a breaking storm

A B  
Pilots, up and away they fly

C#m D

To write your name in the summer sky

A B

Life has really only just begun  
C#m D  
Life that comes and everything under the sun

( E )

B E  
And you don t know that you ve been born  
B E  
Can t see the calm until the storm  
B E  
Can t tell your right side from your wrong  
B A E ( E )  
Can t see the wave you re riding on
