Everything is gettin  strained

Best friends

What s that?

What s his name?

X (Standby, sir)
Gm
Alright, is that X your middle name?
         Gdim        C7
Of course, it s on a vehicle ID, right?
                                      Gm
You gettin  smart?  Cause you ll be in a fucking car with him
           Gdim
Fucking smartass
C7
I m telling you

I m asking you what the X is, is that your middle name?
 Gm            Gdim        C7
Of course, what is it?
                                          Dm
Don t come back with the  What is it?  fucking shit

Talk to these fucking pigs on the street that way, you ain t talking to me that
way

I don t talk to nobody in the streets, I don t hang with nobody

Well, then don t come to fucking Philadelphia, stay in Jersey
                           Gm
I have family out here

Everybody thinks they re a fucking lawyer and they don t know jackshit

Are you supposed to grab me like this?
                                    C
Grab you up? I ll grab you any way I got to
                                  Am
You re not protecting me while I m trying, while I m trying to go to work
```

Why don t you shut up?
